

Gillespie County Soil and Water Conservation District

Contractors List

This list is being provided to you as a service by the Natural Resources Conservation Service (NRCS) and Gillespie County SWCD. Contractors are placed on this list at their own request.

It is the sole responsibility of the landowner/manager to enter into contractual agreements with contractors relative to issues related to the cost of services, starting dates, completion times, liability, etc.

This information is provided as a public service and convenience to producers but constitutes no endorsement by the United States Department of Agriculture or the Soil and Water Conservation District of any service, supply or equipment listed. While an effort has been made to provide a complete and accurate listing of services, supplies and equipment, omissions or other errors may occur and therefore, references need to be checked and other available sources of information consulted.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital and family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print audiotape, etc.) should contact USDA 's Target Center at 202-720-2600 (voice and TDD)

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW Suite 4010 or call (202)720-5964 (Voice or TDD). USDA and Gillespie SWCD are an equal opportunity provider and employer.
